Description

America's best-selling sweatpants are now even softer with the addition of JSN Fashion ring spun cotton, which provides premium softness wash after wash. Designed to keep you warm and comfortable, these sweatpants also feature our Hyper Dual Defense technology providing wicking and odor protection. JSN Fashion pants comes with an elastic quick cord that adjusts for a customized fit, and a relaxed banded bottom that stays in place so you can be comfortable. Deep pockets help keep items secure and double-needle stitching on the hems provide added durability for any activity. If you are looking for comfort, look no further, this pant is a must have. Available in a variety of stylish colors.
